# FIND WORK THE IWORKWAY™

**66DG is the result of over 10 years of groundbreaking research and work in recruitment/career coaching with thousands of Clients to help you find your Dream Career and become the TOP 3% who thrive @ WORK and in life.**

### College doesn't get you job-ready.

80% of employers believe college graduates are not well prepared for work.

### College Degree doesn't mean success.

1 in 5 college grads aren't working in a degree-demanding job a decade after leaving school.

### Making career choices is hard and there is no real guidance to help.

90% of College Students feel confused or lost about their career choices. Only 2 in 10 Americans like their jobs.

### Lack of Tools and Strategies.

Only 1 in 200-1000 Candidates get the job. Your Resume gets 6 seconds to impress.

### Uncertain Future of Jobs.

85% of jobs that will exist by 2050 haven't yet been created. Automation. Big Data. IoT. Growing Talent Shortage and Skills Instability.

### WORK isn't HUMANIZED.

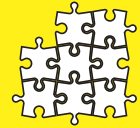

80% of obstacles to your CAREER and LIFE success are internal. Why? Because you are the VEHICLE. Personal Growth = Career Growth & Success. Your job finances your life and impacts every single aspect of it. It's time to find WORK the iWorkway™.
